

Forwarding the comments of the Volunteer Army Party Committee's Supplementary Instructions on Launching the Three Antis Movement

Mao Zedong

30-12-1951

The central bureaus of the major military regions: the Volunteer Army is also scheduled to launch the three-anti struggle of the entire army in January, and the 26th Army can also launch this struggle at the forefront. Some people think that the struggle against the Three Antis cannot be carried out at the same time if reorganization is necessary. This kind of opinion is obviously incorrect.
