

The Central Military Commission and the Government Council jointly issued the "Decision on the Construction of the Aviation Industry"

17-04-1951

The Central Military Commission and the Government Council jointly promulgated the "Decision on the Construction of the Aviation Industry."

The "Decision" points out that in order to strengthen leadership over the construction of the aviation industry, it has been decided to set up the Aviation Industry Management Committee of the Central Military Commission, with Nie Rongzhen as director and Li Fuchun as deputy director.
