Other Decisions and/or Actions:

"To launch a large-scale mass movement to ban Huidaomen in rural areas where land reforms have been completed and in cities where reactionary Huidaomen have not been banned, and everything should be taken into account. The arrested Daoist leaders should be arrested, combined with extensive and in-depth publicity and education work, organize a wide-scale retreat movement, and come to a centralized solution, basically destroying the organization of the reactionary Daoist sect."
