

Dates of Meeting:

Aug. 1952 – Sept 1952

Type of Meeting:

2nd National Conference on Mutual Aid and Cooperation

Place of Meeting:

Beijing

Attendance:**Major Agenda Items:**

The main task of this meeting is to revise the "Resolution on Mutual Assistance and Cooperation in Agricultural Production (Draft)" and study how to run agricultural production cooperatives well. See meeting [09-09-1951](#)

Speeches/Reports:

Liao Luyan, deputy director of the Policy Research Office of the CC "Speech" He pointed out that after the central government released the draft resolution on mutual assistance and cooperation in agricultural production, the confidence of the lower cadres to fight against spontaneous capitalist tendencies has increased, and they have a clear direction for development. When talking about several problems in the current development of the mutual aid and cooperation movement, he first emphasized that "the struggle against spontaneous capitalist tendencies must still be strengthened."

Other Decisions and/or Actions:**Remarks:**
