

# The Government Affairs Council's decision on the method of payment of statutory holiday wages by factories and mines in various places

(RELEASED ON JULY 31, 1950)

1. On government statutory holidays, wages will be paid. The method of disbursement: no deduction of wages for those who are calculated on a monthly basis; for those who are calculated on a daily basis, the wages shall be paid; for those who are calculated on a piece basis, the basic salary shall be paid according to the basic salary, and the average salary (that is, the previous month the actual working days are divided by the total salary of the previous month).

2. Regarding workers who are required to work during holidays due to special reasons, an additional salary shall be issued in accordance with the principle of the preceding paragraph.

After receiving this approach, all localities hope to notify their subordinates to comply with it.
