

Liu Shaoqi spoke at Tianjin industrial and commercial entrepreneur's symposium

19-04-1949

attended by Li Zhuchen, Zhou Shue, Song Peiqing, Zhu Jisheng, Bian Jieqing, Sun Bingru, Lao Duwen, Zi Yaohua, Wang Hanting, etc.

In his speech, Liu Shaoqi encouraged them to run good factories and build more factories. Point out: You can cooperate with trading companies to implement the policy of balancing public and private matters. The private sector can only cooperate with the state sector. When talking about labor-management relations, he said: You can set factory regulations, and after the government approves them, they can be implemented. As for temporary workers, some may become permanent workers, and those who are in difficulty will remain employed.
